

HERITAGE CUSTOM HOMES
by Ed Damer

The Manchester

Truly a wonderful place to call home,
The Manchester, with its beautiful covered porch, welcomes you into its classic residence. A large masonry fireplace, surrounded by a high vaulted ceiling, greets you as you enter into the formal living room, which is located just off of the entry. Connecting to the spacious dining room is a small, private wet bar suited for any party large or small. An open stairwell is centrally located for convenient access and is adjacent to the kitchen, breakfast nook and family room, which can function as the main gathering place for this home.

Opening onto the family room, kitchen and dining room, a private courtyard is easily accessible through both the master bedroom and an adjacent study.

Located opposite the kitchen and dining room, the master bedroom includes a large walk-in closet. A private shower, large deck-mounted whirlpool tub and built-in wardrobe cabinets make for a luxurious master bath.

Three bedrooms, each with their own private bath and spacious walk-in closet, are located on the upper level.

Designs That Transcend Time
